Mr. Brayton Wilbur
320 California Street
San Francisco, California

Dear Mr. Wilbur:

I want to thank you for the very pleasant hours spent with you and your associates.

The interest and enthusiasm which you show in the problem on which we are working surely gives me much encouragement.

Thanks too for the very fine luncheon and for my introduction to crabs as favored by San Franciscans. That becomes another reason why the City is one of my favorite spots.

Please give my best regards to [] and our other companions.
